that the increased pay may be given with effect from 1-7-1935. This proposal has been approved by the Shimoga Improvement Committee on 30-1-1940. Further, it was stated by the Dy Commr in his letter dated 29-8-1940 that provision has been made for the payment of enhanced rates of salary in the A.R.I. estimates for 1940-41. As such, it was not necessary to submit proposals to sanction the enhancement from the year 1936-37. Further, the Shimoga Municipal Council is a defaulting body to the extent of a lakh of rupees approximately in connection with the maintenance of waterworks at the place. If the present proposal is sanctioned the deficit will further increase and the Municipal Council will not be able to pay back the loan. Having regard to all the circumstances of the case, the sanction for the enhanced rates of pay may be given effect from 1-7-1935, as it is not in the nature of an increment.
